Christ, the Wisdom of God

"The Word was made flesh, he lived among us, and we saw his glory." It is the beginning of a new calendar year and I am thinking of all the wonderful married couples that I have met over many years of my priesthood. Thank you for being the hope of the Church and the world simply through your love for one another. It is said that the 'the glory of God is humanity fully alive'. That is found in a very special way in your committed love in marriage and this new year is a really good time to renew your love and set out to make this year 2015 a time of joy and gladness for one another and for all of us. At this time of New Year's resolutions it would be to the glory of God and the good of all if we were to make the health and well-being of marriage and family life our main concern this year, as couples, as families, and as a faith community. What could you put in place that would help this?

Fr. Johnny Doherty, C.Ss.R.

The New Year

Ever Faithful God in this new year I pray

to live deeply with purpose,

to live freely, with detachment,

to live wisely, with humility,

to live justly with compassion,

to live lovingly with fidelity, to live mindfully with

awareness, to live gratefully with generosity,

to live fully, with enthusiasm.

Help me to hold this vision

and to daily renew it in my heart,

becoming ever more one with you, my truest Self.
