## **Jubilee 2025 - Pilgrims of Hope**

*To be Pilgrims of Hope we must begin with ourselves. This Jubilee year is a God-given opportunity to start anew.*

*It is an invitation to an inner conversion through which we become people who live differently. At the centre of this different living is love of God, others and the creation we share.*

*Conversion calls for a change of heart, a move away from self-concern and fear towards a hope-filled attitude where mercy and reconciliation become the lenses through which we view our world and the principles that motivate our action. Only then can we look outward and be, in this Jubilee year, the "tangible signs of hope" that Pope Francis calls us to be, recognising God's presence in the midst of life with all its difficulties and challenges.*

### Liturgical Services in the Absence of a Priest

In the event of there being no priest available to offer a scheduled Sunday or Weekday Mass it would be good to have people in place to lead Services of Prayers, Readings, and Holy Communion. **Any current Reader or Eucharistic Minister from the parishes of Greenlough or Bellaghy who would be willing to help in such a situation is invited to a short meeting in the Quiet Room at St Oliver Plunkett Church at 7.45pm on Tuesday 17 June.** Anyone else interested in helping in this will be very welcome to attend.
