CORPUS CHRISTI

The Body and Blood of Christ

"Anyone who eats this bread will live forever". Only the young believe that they will live forever. As we grow older we become aware of how short life is. Jesus, however, comes down on the side of the young. He calls on us to stay young, to be like children, to hope and to dream. And he gives us the way to do that - the way of love. For people who are married, it is vitally important that they keep their love for each other fresh and alive so that they can remain young no matter what age they are. It is also so important to keep family life as a wonderful adventure so that all those who are part of it can know the wonder of life. Jesus gives us the ultimate pledge of his love, his Body and Blood in the Eucharist, the Sacrament of eternal life and youthfulness. This extraordinary gift is celebrated in a special way in the faith community. The test of how truly we celebrate it is how alive our community is.
