## 18TH SUNDAY OF THE YEAR

### *Our Bread from Heaven*

Jesus said to the crowd: **'Do not work for food that cannot last but work for food that endures to eternal life'**. Every one of us has a whole variety of people and things that are important to us. And we don't want to neglect any of them. However, we all have a great responsibility to set priorities, and to get those priorities right. That is what Jesus is calling us to this week. The most important things are those that last forever like love, faith, hope. And the most important people are those of our own families and communities. Married couples need to make their marriage their priority. Parents need to make their family their priority. As people of faith we need to make our parish our priority. All this means that other things and people become less important while not neglecting them.
