8th Sunday in Ordinary Time

What Christ calls us To.

Jesus said to his disciples: *"Why do you observe the splinter in your brother's/sister's eye and never notice the plank in your own?"* What a powerful statement that is to help us change in our relationships of marriage, family, and faith community, if we are to make a real difference in our world. Negative criticisms so easily become a way of life in marriage and family life. Generally, these are about relatively unimportant things and we make mountains out of mole hills. The plank in our own eye is what blocks us from seeing the goodness in one another and acknowledging that goodness as our way of life. Criticism leads to unhappiness, coldness and distance in our family life. Praise and thanksgiving lead to joy and happiness and peace. That same is true in our life with one another in our parish community. That is what Christ calls us to. **Fr. Johnny Doherty, C.Ss.R.**

Sunday 27th February

COVID 19. Thank You!

This week has seen a relaxation in the Government regulations and a move towards guidelines and personal responsibility. This is very welcome, it has indeed been a long two years. Away back on St Patrick's Day 2020 we could not in our wildest dreams have seen what lay ahead. This time has brought out so much goodness and care in our parishes as we sought to keep Church and Community life as normal as possible.

We are so grateful for your help and support especially that of families dealing with sickness and bereavement. We especially thank you for your patience and the practical hard work of so many. Our parishes have much to be thankful for and we look forward to better days.

Onwards and Upwards!

Fr. Dermott.

Fr. Eamonn.
