11TH SUNDAY IN ORDINARY TIME

He Speaks in Parables

Jesus said: "**What can we say the Kingdom of God is like?**" We all have our own ideas of what the Kingdom of God is like and because of that we need to listen carefully to what Jesus says about it because he is the only one who does know! In the two parables today he tells us first of all that it is **God's kingdom**. God is at work in us and around us all the time even when we are not attentive to him. He also tells us that the small things are the key to the growth of God's kingdom. These have a very important message for us in our main relationships of faith, hope and love in marriage, family life and our parish community. God is present in all of these, working to bring us to maturity. Our contribution is to be found in the small things of love - giving time to one another; showing affection to one another; affirming one another; forgiving one another etc.

We are standing on holy ground!
