The Baptism of Jesus

"You are my Son, the beloved, my favour rests on you."

Those wonderful words, spoken to Jesus on the occasion of his Baptism in the Jordan, are spoken to each one of us because of our baptism into him. Just listen to God speak those words from his heart into your heart now: *"you are my daughter, my son, the beloved, my favour rests on you."* Our major task is to live out that love of God in our vocation. **For you as a couple** committed in love, make your life together full of the joy of God's love. **Single people, religious, priests**, live out the same vocation of love in different ways but for the same purpose, to fill the world with the presence and the love of God. **As a community of faith**, the parish is a gathering of all these vocations so that, working with one another, we can radiate that same love to all those around us.
