## 5th Sunday in Lent

### *The Lord who wipes away our sins*

Jesus said to the crowd: *"If there is one of you who has not sinned, let him/her be the first to throw a stone at her"*. We live in a world that takes delight in other people's sins, a world that is always baying for punishment and revenge. In a very real way we can understand this and accept it. And yet it has no place in our following of Christ. The Gospel story of the woman who was caught in the act of adultery, and whom the Law said should be stoned to death, is a wonderful revelation of the way Christ sees the person who has sinned. He does not condone her actions but with great gentleness he sets her free with the command to go and not to sin again. This is the gentleness we are called to develop towards one another while always remembering that our own sins should hold us back from throwing the first stone.
