The Lord who wipes away our sins

Jesus said to the crowd: *"If there is one of you who has not sinned, let him/her be the first to throw a stone at her"*. We live in a world that takes delight in other people's sins, a world that is always baying for punishment and revenge. In a very real way we can understand this and accept it. And yet it has no place in our following of Christ. The Gospel story of the woman who was caught in the act of adultery, and whom the Law said should be stoned to death, is a wonderful revelation of the way Christ sees the person who has sinned. He does not condone her actions but with great gentleness he sets her free with the command to go and not to sin again. This is the gentleness we are called to develop towards one another while always remembering that our own sins should hold us back from throwing the first stone.

NEW OFFERTORY COLLECTION ENVELOPES

We are presently distributing the new offertory envelopes for the forthcoming financial year. The past two years have been very difficult due to the pandemic and has placed a considerable financial strain on the parish.

We are discontinuing the building fund envelope as many projects have been completed - the latest being the Cemetery Extension and the new Church Lighting & New Sound System. In future all funds will be used for the continuing costs of running the parish.

We are very grateful for your continued support both financial and in every other respect. We also know that these are for many very difficult times financially.

If you are in a position to increase your weekly contribution this would make a big difference. £1 or £2 would be a great help.

If you have not been using envelopes and would wish to start or would like to pay online through your bank, please contact the parish office.

We also ask that if you are a Tax Payer that you would please consider joining the **Gift Aid Scheme** - contact the parish office to sign up.

Thank you again for your continued support.
