5th Sunday of Easter

Christ, the True Vine

Jesus said to his disciples: "It is to the glory of my Father that you should bear much fruit." When we think of faith we generally think of our faith in God. Jesus reveals God's faith in us, and the trust he puts in us to show his love to the world in which we live. We 'bear much fruit' for God by the way we love one another, first of all in our homes, and then in our community. Each of us has a great responsibility to practise all the qualities of love constantly - kindness, gentleness, compassion, understanding, forgiveness, encouragement, praise, thanksgiving and so on. Our homes and our parish community should be places where everyone can be glad to be and can know God's love and praise his name. In this way, the renewal of the Church is never completed but is something that is started afresh every Sunday.
