First Sunday in Lent

The Kingdom of God is close at hand

Jesus said: **"Repent and believe the Good News"**. At the beginning of Lent, this call of Christ sets the agenda for the next six weeks. The first thing we have to do is **'repent'**. What does that mean for us? It simply means 'let go' - let go of the things and the ways of living that limit our freedom to love God with our whole heart and strength and our neighbour as ourselves. Secondly Christ calls us to **'believe the Good News'**. This means to live the Good News, to practise being happy, to bring joy and peace and healing to all those we live with and those we meet. This obviously has huge implications for married couples in their relationship; for families in their life together; and for every parish community. **Lent is not just about giving things up but rather about changing in ways that will bring life to others. Six weeks practice should make a profound difference to our lives.**

Fr. Johnny Doherty, C.Ss.R.
