14TH SUNDAY OF THE YEAR

### COME TO ME AND I WILL GIVE YOU REST

*"Come to me, all you who labour and are overburdened, and I will give you rest." How we need to hear that word from Christ today and to heed it. We have never had so many time saving devices that should make life more enjoyable for us. And yet we have never been so busy! People find it so difficult to relax and be thankful for all the wonderful things of life. Our world needs the witness of people who are willing to take time for their love relationships in ways that say that this is the most important part of life. We give this witness just by taking the time for the Sunday Mass, but it is so important to really take the time and not just rush in and out again. We give this witness by married couples taking time regularly for their relationship, especially by doing courses that will help them grow in love. We give this witness when parents give good time regularly to their children instead of having others look after them all the time.*
