## Fourth Sunday of Lent

*Christ, the Redeemer*

*"God sent his Son so that through him the world might be saved." We can become so familiar with a sentence like this that we miss the profound truth in it of how much God loves us and longs for us. We think of faith as meaning our belief in God. It is much more about God's intense belief in us and in our goodness and beauty and he wants us to come to a knowledge of that too. We have a serious responsibility to one another of constantly bringing that knowledge to each person in every way we can. One of the major tasks for every married couple is to help each other to know how much they are loved and treasured. This is done through affirmation and affection. Parents have this same responsibility towards their children. They can help each one be a truly successful human being by building up their goodness. And in the parish community we help one another by looking out for each other.*

*Fr. Johnny Doherty, C.Ss.R.*
