Fourth Sunday of the Year

The Lord Our Teacher

*“His teaching made a deep impression on them because, unlike the scribes, he taught them with authority.” As Christians we believe that Jesus is the one above all others who can teach us about God. And the God that he reveals to us is a God of infinite love and compassion. At times we, as the Church, move away from this God and create a God of fear and judgement. Our responsibility is to move back very firmly to the God of Jesus. We also believe that Jesus is the one above all others who can teach us about the meaning of human life. He teaches us very clearly that human life is about love. We make it about wealth, or importance, or pleasure and we have to constantly move back to pinning our hopes on love: in marriage; in family life; in our life with one another in the parish community. This is becoming more and more important as our society changes with such speed and can leave us without roots.*
