Mission Sunday 2017

*Give to God what belongs to God*

*Jesus said: "Give back to Caesar what belongs to Caesar - and to God what belongs to God." One of the biggest mistakes we make as human beings is to think that what we have belongs to us! The more wonderful truth is that all we have is a gift from God who loves us and who wants us to live in the freedom of that love. The best way of human living is to treasure everything in life rather than try to possess it; to count our blessings rather than moan about what we don't have. And the greatest treasure of all is each other. The quality of our love for one another in marriage and family life is a measure and major part of our worship of God. That love needs to be such that it will radiate out and include those with whom we worship at the Eucharist and so we build a faith community to the glory of God.*

*Fr. Johnny Doherty, C.Ss.R.*
