19TH SUNDAY OF THE YEAR

## Ready for Action

Jesus said to his disciples: *“Where your treasure is, there will your heart be also.”* Alcoholics Anonymous have given the world very many insights into human nature. One of those is that “we cannot so much think our way into a new way of behaving as behaving our way into a new way of thinking”. We can have all the best thoughts in the world, but they are useless unless our lives correspond. People who are married have to live as if their marriage is the most important thing in their lives and it will become that. Parents have to spend time in treasuring their children so that they feel special. And people of faith have to live out their faith in action in the community or the faith becomes just an empty thing. The challenge of the Gospel today and for this week is to get our priorities straight so that Christ may be known in our world.
