Palm Sunday

Through Death to Life

The week ahead, known to us as Holy Week, is the most important time of the whole year for us as Christians to grow in a knowledge of what our faith is about. Unfortunately it has increasingly become a time of heading to the sun for so many people. During this week we are put in touch with the reality of Christ's death on the Cross for us and the wonderful knowledge of his Resurrection from the dead. We are also put in touch with the reality of the human condition that can change so quickly from enthusiasm to hatred as on Palm/Passion Sunday or from love to cowardice as on Holy Thursday. Thursday, Friday and Saturday are particularly important for us to give time to prayer and reflection that are provided for in the various liturgies. The Church is greatly weakened when people don't give this time. Will you?
