The Good News

It is written in the book of the prophet Isaiah: "A voice cries in the wilderness: Prepare a way for the Lord, make his paths straight." When we hear those words we automatically think of John the Baptist and they are certainly about him. But they are about us also. The task of each one of us is to prepare a way for the Lord so that he can enter into our world today; to make his paths straight so that he can enter into the heart of every human person, where he wants to live. Some of us, like John the Baptist, do this through preaching. The most important way though is through love. Our love needs to be active and growing whether it is in marriage or in family life. This takes commitment and effort every day so that those we love can know how special they are. And this love needs to be brought to the parish community so that everyone can find a home among us.
