2nd Sunday in Lent

It is wonderful for us to be here

*"Lord, it is wonderful for us to be here." We have a right to be able to say that in relation to our life of faith and our life of love. But we also have a responsibility to each other to make that statement possible for one another. One of the special places of that statement must be in the relationship of husband and wife in marriage. **Make your marriage** a place where the other person is very glad to be. **Make your home** a place where everyone who lives there can say: **"it is wonderful to be here"**. **Make the Church** a community where everyone can experience the warmth of God's love. Those are the kind of challenges that are in our following of Christ and that are particularly relevant during this time of Lent. We have to put ourselves out in order to make all of that happen in our homes and faith community. Lent is about just that.*

Fr. Johnny Doherty, C.Ss.R.
