The Lamb of God

John the Baptist said: *"I am the witness that he (Jesus) is the Chosen One of God"*. This is the great mission that we all have in our world so that the world may believe. And Jesus gives us the best way of witnessing to him - our love for one another. It is hard to believe that our love has so much power, that our love can transform the world in so far as we point towards Christ as our Saviour. This power is particularly invested in the love of husband and wife in the Sacrament of Marriage. The committed love of a married couple makes Christ present in the world each couple lives in. So much is at stake for every couple to grow in their love every day. This call to witness to Christ is also the task of every family and every faith community in the Church. We have a responsibility in faith to positively develop our homes and our communities in ways that others, looking at us, can come to know Christ.
