17TH SUNDAY OF THE YEAR

Lord, Teach us to Pray

“So I (Jesus) say to you: ask and it will be given to you; search and you will find; knock and the door will be opened to you.” The greatest power that we have is undoubtedly the power of prayer. And unfortunately, it’s a power that we don’t use often enough. The three words that Jesus uses here are dynamic words that have to involve us at a personal level. Ask: to do this we have to decide what we are really looking for in marriage and family life as well as in our parish and then we have to be willing to invest ourselves in it. Search: if what we are looking for is important to us, we will be willing to change to find it and to change even more having found it. So many people want everything but without any cost and this is not the way of the Lord. Knock: God wants us to come to him with confidence but then to abandon ourselves into his hands, knowing that we will be well looked after by him.
