Sixteenth Sunday in Ordinary Time

Our Merciful Judge

"Listen, anyone who has ears." We live in a world of constant sound and yet we are not all that good at listening. Take a few moments as you read this to listen to the sounds around you. What do you hear? Listen to the sounds within you. What do you hear? A lot of the time what we hear is discordant noise and yet what Jesus wants us to hear is the love of God that is all around us and within us and between us. We will hear that sound if we listen carefully enough with our hearts and minds. Listen especially to the beautiful sounds of your love for one another in marriage and/or family life. It is so easy to get into a pattern of not listening in these sacred places. Listen also to the goodness of the people who make up your faith community so that you can become aware of Christ who lives in them. And listen this week to the needs of the people around you so that you can respond to those needs in love.
