## 16th Sunday of the Year

### Christ the Good Shepherd

*"Jesus took pity on them because they were like sheep without a shepherd." We are all aware of a lot of turmoil and trouble in the world in general and often in our own communities and even our own families. The temptation is to either despair or to ignore. For us as followers of Christ, the only way is to see the opportunity rather than the problem and to work together at bringing Christ into our world ever more fully. We do this firstly in our homes through love and prayer. Our homes should be places where each one is glad to be. This can only happen when we make it happen for each other. We do it in our community by working together to make the parish a community of faith and hope. And we do it for our world by becoming a sign of hope because we are a people among whom Christ lives.*
