The Law of Christ - Love

Jesus said to his disciples: *"I tell you, if your virtue goes no deeper than that of the Scribes and Pharisees you will never get into the kingdom of heaven."* The Scribes and Pharisees in the time of Jesus were very good-living people who had missed the point. They were fully committed to the Law but had lost the Spirit. How easy that is for us to do also. In marriage, for example, it is not enough for a husband or wife to avoid getting entangled in another relationship. Their fidelity is far more than that because it has to lead them to build up their love for one another in every way possible. In family life so many parents give their children everything except very often what the children need most, namely their time, their affection, and their affirmation. And in our faith community it is all too common for people to reduce the practice of their faith to simply going to Mass on a Saturday/Sunday rather than getting involved in creating a community that expresses itself in the weekly Eucharist.

Fr. Johnny Doherty, C.Ss.R.
