Our Trust in God

Fixing his eyes on his disciples Jesus said: "**How happy are you who are poor; yours is the kingdom of God. Alas for you who are rich; you are having your consolation now**". Isn't this a very difficult teaching to accept, even when we know that it comes from Jesus? And because it is difficult, we can tend to ignore it and go on our way. Obviously, Jesus is not promoting poverty. Rather he is saying that when we are poor, we know that we depend on God. When we have riches, we put our trust in them even though in reality we still depend totally on God for everything including our next breath. The task of every human person is to let go of our self-importance and enter into the wonderful love relationship God wants to have with us. We will then use our resources, material and spiritual, for the well-being of each other.

Fr. Johnny Doherty, C.Ss.R.
