The Spirit of Truth

Jesus said to his disciples: **"I shall ask the Father and he will give you the Spirit of truth."** If someone ever says to you **"I want to tell you the truth about yourself"** stand well back because you can be almost certain that you will hear all the things that are wrong with you! That's what we have done with the notion of truth. God's idea of truth is just the opposite. It is about all that is good and wonderful about us. This week ban criticism from your life and practise the truth by speaking the good about yourself and also about one another and about those who share your home with you. Go out of your way to notice the good qualities of each person who makes up your life and let each one know the goodness you see in them. And look at your faith community this week and make a list of all the good that is being done by your priests and by so many people and let them know what you see. Then you will be God's people.

A Prayer for Children and Young People

God of love, we praise and thank you for the wonderful gift of life. Help us to cherish this gift in ourselves and in all whom we meet.

Bless all children that they may know the joy of being alive and that we may help them towards a great future.

Bless all young women and men. Be with them through these years of change in their bodies, their priorities, and their relationships so that nothing may damage their joy and their hope.

Bless especially all those in our parish who are doing exams this year. May they have every success, not just in their exams but in their lives.

May all of them and all of us be kept safe from the corona virus and from all other forms of harm.

We ask this through Christ, our Lord. Amen.

Fr. Johnny Doherty, C.Ss.R.
