## The Baptism of the Lord

John said to the crowd: *'He will baptise you with the Holy Spirit and with fire'*. This week, as we celebrate the Baptism of Christ in the Jordan, we also remember and renew our own baptism into Christ in the Church. And the baptism that we have been promised is a baptism with the Holy Spirit and with fire. The Holy Spirit brings peace, joy, love etc. Is that how we live our faith or is it more with anxiety, fear, duty etc? Fire brings warmth, light, enthusiasm, hope. Is this how we present Christ to the world or is it more with coldness, lifelessness, joylessness? The challenge of this time is to change our ways and to let the world we live in know the power of Christ's presence among us by the enthusiasm of our lives of faith. This must always begin in our homes and families and the community of faith we belong to.
