Christ, the beloved of God

A voice spoke from heaven, 'This is my Son, the Beloved; my favour rests on him'. That is the very heart of our Christian faith. Christ is the Son of God. The practice of our faith is about living with that conviction and living it enthusiastically. In believing that Christ is the Son of God we are acknowledging that he is the one who can teach us what God is like. And he teaches us that God adores us, the way a parent adores her/his newborn child. We need to let ourselves go to that wonderful love in prayer and in joy. Christ is also the one who teaches us human life. He tells us very clearly that the only way to live is to love as he has loved us. This is particularly true in the intimate relationships of marriage and family life. It is also true in how we build our community of faith. We are a very privileged people.
