CORPUS CHRISTI

The Body and Blood of Christ

"They all ate as much as they wanted, and when the scraps remaining were collected they filled twelve baskets." The miracle of the five loaves and two fish distributed among so many people is given to us as a symbol of the greatest gift and miracle of all, the Eucharist. As God's people we are so privileged to be fed with the Body and Blood of Christ week after week, so much so that we can even take it for granted. We have a responsibility to keep the wonder of this gift alive in us. We also have the responsibility to live this miracle through our love for one another in our homes and communities. Through the power of Christ there was more left over after thousands of people had been fed than when they started. That is what the same Jesus wants to happen among us today as a result of the Eucharist we celebrate.
