

SUNDAY

3rd Sunday of the Year

Good News to the Poor

Jesus read from the scroll: *'He has sent me to bring the good news to the poor, to proclaim liberty to captives, and to the blind new sight, to set the downtrodden free, to proclaim the Lord's year of favour'. Then he said: 'this text is being fulfilled today, even as you listen'. This is surely the clearest statement about the purpose of the Church and of our part in it that could be made. We don't just have a faith that is for us to make us comfortable. We have a power to transform the world we live in and living our faith is about doing just that. Our homes are to be places where each person finds healing and affirmation. The same has to be made true of the faith community we belong to. It is time to move away from a sense of duty in regard to our faith and move into a sense of adventure for the Kingdom of God.*
