Third Sunday
of Advent
11th December 2016

Joy in the Lord.

"Happy is the one who does not lose faith in me." Over the past few years many people have lost faith in Christ and in his Church. There have been very good reasons for this, particularly the sins of others that have shocked and rocked us all. However this Christmas is another call to us to renew our faith in Christ, and our loyalty to his Church. We are brought again to the simple crib where God shows us the gentleness of his love. We can let go of the past in this simple place. We can let ourselves be healed from anger or bitterness by this Lord who is among us as a helpless baby. His only desire is that we would be people of compassion for one another and gentleness with one another. We practise this faith firstly in our homes as we grow in love for each member of our family. And we practise it in our community where we can make such a difference in making sure that every person is cared for at this special time.

Fr. Johnny Doherty, C.Ss.R.
