## 3rd Sunday of Easter

### Our Advocate with the Father

Jesus said: *"You are witnesses of all I have said."* Over the past few years we have become very aware of the human frailty of the Church, often to the point of keeping our heads down and hoping that it will all go away. And we have good reasons for being ashamed and afraid and even at times resentful. But we also have a great responsibility to witness boldly to Jesus who has risen from the dead and is alive in us and in his Church. We do this, not so much by preaching, as by how we live our lives in joy and hope and love. Our families, our community and our society badly need the witness of people who are happy, content, forgiving, thoughtful, prayerful, caring. If we work at it together we can make a difference. That's our call this week as husbands and wives, parents and children, and as a community of faith.
