The Ways of the Lord

"Follow me and I will make you into fishers of people."
Those words of Jesus, which are given to us for this week, are usually thought of as being addressed to people with a vocation to the priesthood or religious life. They are about vocation certainly but are addressed to each of us. The four great vocations in the Church are single life, married life, religious life and priesthood. All of us who are baptised are living one of those and each of us is vital to the health of the whole body, the Church. We live our vocations in different ways but to the same end, the salvation of the world. Our task is to discover how to live our own vocation to the full. This means discovering how to make our love radiate out to those around us. We begin in our homes with those who are closest to us. Then we can reach out to the world around us. When we are with Christ and following him love will be the characteristic of our lives. **Fr. Johnny Doherty, C.Ss.R.**
