13TH SUNDAY OF THE YEAR

The Lord We Serve

Jesus said: "Once the hand is laid on the plough, no one who looks back is fit for the kingdom of God". We live in a world in which people are finding it increasingly difficult to make a full commitment to anything. This is probably the single most important reason for many of the social ills of our society. Jesus tells us that commitment is essential to human fulfilment, the kingdom of God. When a couple gets married they are looking ahead but tend quickly to look back to what each had and so set limits to their relationship. When a couple conceive a child they look forward to the birth. Then they begin to look back to the freedom they had beforehand and try to reclaim as much of that as possible. And in parish life many people want a full part in the future of the Church but are often unwilling to commit themselves to the work involved in ensuring its success.

The School Holidays

*As the academic year comes to
an end once again and our
children and members of staff
begin their holidays, we wish
them a happy and safe vacation
and hope that they will return in
September refreshed in body and spirit.*

*May God's blessing go with us today,
at the end of this school year we pray.
That you keep us safe and give us rest
so we start again renewed and refreshed.*

*Full of health, full of fun
ready to come and learn again.*

*May God's blessing go with us today,
as we begin our school holiday.
Give your peace and your joy,
to every girl and every boy.*

*Help the teachers to enjoy the break,
and prepare and plan for the new School year.*

*May God's blessings await us in September,
to embrace each new challenge without fear.*

*Fill our school with your love,
and guide our hearts from above.
Full of faith, full of hope, full of joy, and full of love.*

Amen.
