12TH SUNDAY OF THE YEAR

Do not be Afraid!

Jesus said: **"Do not be afraid."** In the Scriptures, fear is identified as the single greatest enemy of life and love. That statement **"do not be afraid"** is spoken 365 times in the Scriptures. The greatest fear that grips people is of what it is going to cost to really believe, to love, to enjoy. Fear of the cost can make us set limits to our love. And fear can make us set limits to our willingness to let God into our lives. As always, we need to think about this word of Christ in terms of the relationships of our lives and our faith. In every community very many people don't get involved in anything other than the minimum. This doesn't mean that these people are bad natured but it is mostly because of this fear. Men particularly are afraid of developing the intimate relationships of marriage and family life for the same reason - they are afraid of the cost to themselves and they miss out on the rewards. **Listen to Christ's word this week.**
