20th Sunday of the Year

Mercy to every person

"Lord", the woman said, "help me." Human life is too big and too complex for any of us to live it on our own. We have all kinds of people and relationships to help us to wholeness. The most important one of all has to be the presence of Christ with us. The intimate relationships of marriage and family life, for example, change so often and so deeply that we cannot manage them on our own. Christ is with us to help us see the opportunities for ever greater loving and to give us the strength to grow in our love. Relationships within the faith community are also so complex that we cannot possibly build our unity with one another except through the power of Christ. When we depend on our own efforts we set very low limits and settle for mediocrity. When we call on the power of Christ, and live by his power, we are set free to reach for the stars.

Prayer for those receiving/awaiting Exam Results

Lord, thank you that you are with me right now.

Your love surpasses all fear.

I give you the anxiety I feel.

I surrender all my worries to you.

Clear my mind. Calm my heart.

Still my spirit. Relax my being.

When the results have come,

may I be satisfied that I did my best.

May whatever path I choose in life bring me happiness
