20TH SUNDAY OF THE YEAR

Victory with Christ

Jesus said to his disciples: "I have come to bring fire to the earth and how I wish it were blazing already". Fire can be a source of fear when it is a danger to us, or a source of warmth and comfort when it is at our service. For many people Christ is like that. He is a source of fear when we see him calling us to change and we are reluctant to do so. Equally he is a source of warmth and comfort when we put our trust in him and in his way of life. For many married people, marriage can be seen as a restraint on their liberty and can cause resentment. Or it can be seen as a wonderful gift of love that liberates the heart. Jesus is with us to bring us the fullness of life. For some of us that can mean the pain of surrendering our own ways of life and adopting his. But his ways are guaranteed to bring us joy and gladness and a sense of the wonder of life.

Fr. Johnny Doherty, C.Ss.R.
