25th Sunday of the Year

Christ the Son of God

Jesus said to his disciples: *'If anyone wants to be first he/she must make himself/herself least of all and servant of all.'* Whoever said that religion is the opium of the people obviously never read the Gospels because if opium was nearly as difficult to take as some of the things that Jesus said there would be very few people taking it! And yet the truth is that only his way works. We all want to be first in so many different ways. We can see people in every sphere of life going around puffed up with their self-importance, often putting others down in order to keep their position. It is the opposite to the way of Jesus and can never lead to lasting happiness. This week again we are invited to practice putting other people first, especially in our families and communities, and know the joy that this brings.

Fr. Johnny Doherty, C.Ss.R.

PRAYER FOCUS

May we love one another.

What does 'love one another' mean in your life right now?

Take time to wonder at the beauty of a baby or small child.

Could you babysit for someone this week?
