21ST SUNDAY OF THE YEAR

Saviour of all peoples

Jesus said: "There are those now last who will be first, and those now first who will be last". One of the basic needs of the human person is to be successful. The fulfilment of this need brings people in all kinds of directions in life. Some people invest themselves in work and their whole self-worth is associated with how successful they are there. Then they have to retire! For others it is found in the kind of home they have, or their popularity, or in sport etc. All of these are good things but when they become our reason for being able to say, "I am the best" they have led us astray. The way of Jesus puts success in love as our priority. Through love we put our beloved as number one whether that beloved is our wife/husband, our children, our community, and in so far as we do that we live with great peace and joy and inherit eternal life.

Fr. Johnny Doherty, C.Ss.R.
