## 24TH SUNDAY OF THE YEAR

*He welcomes sinners*

*“This man”, the scribes complained, “welcomes sinners and eats with them”. One of the lovely features of the Gospels is the number of meals Jesus shares with people, culminating in the Last Supper with his disciples. When we think of a meal we immediately focus on food. For Jesus in his time the main focus was on the people with whom he shared food, as a meal was a sign of friendship and a pledge of friendship. No one was excluded from this sign and this was a source of scandal to the good people when they saw him eating with sinners. But his message is loud and clear – he is there for everyone. One of the major challenges for us today is to restore this sense of the meal as an occasion to constantly renew our relationships, especially in our families. The regular family meal will do more to unite us than any other action we can take as it helps us to include each other in our lives.*
