MISSION SUNDAY 2020

Give to God what belongs to God

Jesus said: "Give back to Caesar what belongs to Caesar - and to God what belongs to God." One of the biggest mistakes we make as human beings is to think that what we have belongs to us! The more wonderful truth is that all we have is a gift from God who loves us and who wants us to live in the freedom of that love. The best way of human living is to treasure everything in life rather than try to possess it; to count our blessings rather than moan about what we don't have. And the greatest treasure of all is each other. The quality of our love for one another in marriage and family life is a measure and major part of our worship of God. That love needs to be such that it will radiate out and include those with whom we worship at the Eucharist and so we build a faith community to the glory of God.

This weekend parishes in over 120 countries will celebrate World Mission Sunday. World Mission Sunday is a direct appeal from Pope Francis. He is asking all of us to give what we can so that overseas missionaries can reach and care for suffering men, women and children.

On World Mission Sunday, all collections, including those from the most impoverished churches in the developing world, will be offered to help further the reach of missionaries and mission. The collection is a lifeline, not only to missionaries, but also the future of the Church. However, it is in jeopardy. The worldwide pandemic means that less of us can physically attend Mass, resulting in less offerings in the basket. Its implications for suffering overseas communities in the months ahead will be devastating. COVID-19 brings fear, but it also shows us that selfless and courageous actions are not reserved solely for saints. In fact, they can be found in every one of us, and that by standing in solidarity together we can do more.

Please, if you can, be extra generous this weekend. Your kindness will be used in the coming months to support overseas missionaries who dedicate their lives to some of the most impoverished and overcrowded communities in the world. The theme this year is:

'Together we can do more - Blessed are the peacemakers'.
