Christian Ambition

Jesus said to his disciples: 'Anyone who wants to be great among you must be the servant of all'. We often think that people are being fully accepted by us when we treat them like one of the family. And it is a lovely way to be. But the opposite is also very important to practice, namely that we would treat one another in our families the way we treat those who are visiting us. In this situation we take great care to be ready for them; we get all the best implements out for them; we prepare good food for them. And when they are gone we sometimes are relieved but more often than not we talk about the good things that we can see in them. This is also true within a parish community. We should take great care of one another, the way we would if there was a group of very special visitors coming to celebrate with us. That is how Christ wants us to be together.
