The Power of Prayer

'Jesus told his disciples a parable about the need to pray continually and never to lose heart.' There are so many things that knock the heart out of us today. In the Church there are all the sex abuse scandals; in society there are the financial scandals of politicians and business people; in family life there is a major breakdown; in parishes there are so many people who have given up. And on and on it goes. And yet we have a power that can bring us through all of it – the power of prayer. Prayer should not be an escape from the serious things that are all around us. We have to face up to all of them. But prayer is a reminder that we don't have to face up to them on our own but with the presence and help of God. The two places where this prayer is most urgent is in our homes so that our family life can grow, and in our parish so that we can become the people God wants, a people committed to his way for our world.

PRAY FOR VOCATIONS. In our Gospel parable, Jesus shows that the widow was granted her request because of her persistence in pestering the judge. May we pray with the same persistence in asking the Lord of the Harvest to provide the Church with priests, deacons and religious.
