## 22nd Sunday of the Year

### *The Strength of Christ's Spirit*

*"What will you gain if you win the whole world and ruin your life?" Our society promotes three things as the sources of human happiness and fulfilment: positions of importance and power; money and possessions; continuous pleasure. Obviously all of these are important for the human person. But, when they become the reason for living, they are full of false promise. Jesus calls on us to put our trust in the important things of life, especially love, and to find there our true fulfilment. We engage in this struggle in all kinds of ways but especially in matters of love and faith. Spending time at prayer, either personal or as a community, can be seen as wasting opportunities for other things that could bring us rewards. Giving time to one another in marriage and family life is often done reluctantly because of what we might be missing. And yet these are the really important things of life.*
