22ND SUNDAY OF THE YEAR

## *He gathers the humble*

*Jesus said: "Those who exalt themselves will be humbled, and those who humble themselves will be exalted". Sometimes we think that to be humble means that we think that we are no good and that rightly does not fit well with us because it does not mean that at all. We have a right to know how good we are and a responsibility to help others to know how good they are. Pride means putting ourselves at the centre of our world and insisting that everything revolves around us. Humility means making others the centre of our lives, and our energy and care are given to them. In this sense another word for humility is love. The message of Jesus again today and for this week is that if we want to be really happy we have to learn to forget about our own petty preoccupations and give ourselves generously to God and to one another.*
