The Commandments of Life

'This people honours me only with lip-service, while their hearts are far from me.' Jesus quoted this passage from the prophet Isaiah to the Pharisees and Scribes. We need to listen to it today also. We get so used to doing particular things that we can forget why we are doing them and then our hearts are not in them. This is true of the practice of our faith, which can easily be reduced by us to rituals and duties. It is true also in our love for one another. Husbands and wives need to constantly renew their love for one another and put their hearts into that love again. Parents need to renew their love for their children because parenting can easily become a burden that is carried with little heart. And we need to put new heart into our prayer so that God may come more and more alive to us.

A Prayer for the New School Year

Father, We thank you for the opportunity

to begin this new school year,

and we ask that you bless our students and staff

that make our school a great place.

We pray that you will guide us in your ways,

and strengthen our school community,

so that we will seek your will in everything that we do,

and love others as you love us.

We ask this in the name of Jesus Christ our Lord. Amen.
