27th Sunday of the Year

They Will Respect My Son.

“This was the Lord’s doing and it is wonderful to see.”

Isn't it amazing how we can so easily take all the wonderful things of life for granted? The result is that life becomes boring or difficult or oppressive for so many people. What makes the difference in life is the quality of our thanksgiving and praise of God and of one another. This week Christ asks us to develop this ability in a special way. Make it a week when criticism is banned especially from our homes and community and when we go out of our way to say thanks and to acknowledge the goodness of one another. This is not easy because we are so used to criticising one another either directly or through gossip. And we justify this by saying that we are only telling the truth! When we are like that we are not living our faith in Christ who only sees all that is good in each of us.

Fr. Johnny Doherty, C.Ss.R.
