26TH SUNDAY OF THE YEAR

A witness for the truth

"If they will not listen to either Moses or the prophets, they will not be convinced even if someone should rise from the dead." These words of Jesus were spoken to the Pharisees who were very good living people but who were missing the point. They are also for us today as we so often miss the point of our faith also. The core of our Christian faith is that Jesus has risen from the dead and is living among us. This knowledge should give us great energy for living, great reverence for every person, great joy and freedom. Instead we make the living out of our faith a duty, a task, a burden, a lot of the time. We do the same in our intimate relationships of marriage and family life. It is time to catch the spirit of Jesus and let our love shine out to the world we live in and to the faith community we are part of.
